

***Sirina Hoffmann***

I became a Stephen Minister and Stephen Leader to give back what was freely given to me. I believe we all have times in our lives when our journey becomes difficult. I have found that we need not travel those times alone. I am humbled and honored to be able to assist others during their time of need.

Raised in New England, I moved to Whitewater at the age of 14. I am a 1979 Whitewater High School graduate. I moved out of the area at 18 and eventually settled in Edgerton, WI. It was there that I raised my family and perused my education and career in Quality and Safety Control.

I returned to Whitewater in 2014 as a newlywed. Life does sometimes have a way of coming full circle. My husband John and I have a blended family, and we are blessed with six wonderful children and many grandchildren.

Along with a calling and a heartfelt passion for helping others and my commitment to Stephen Ministry, my interests include time with family, gardening, pets, sewing, hiking and camping.
